Follow the Clues!

Read each of the following clues carefully, discover its secret location, and mark it on your treasure map.

Then write down the answer to the riddle we've hidden there. You might even need to visit the spot, depending on how clever you are ... or how tricky we are.

To get you started, we've filled out the first one for you.

The Rules

- Each clue identifies a spot on your treasure map and gives you a riddle to solve. To complete the treasure hunt, you need to mark each spot on your map with the correct letter and correctly fill out the answer to each riddle. To make things a little easier, for each clue we've shown you exactly how many letters the answer should have.
- All entries must be delivered to the store by **6:00 P.M. by Monday, October 20, 2014**. We will announce the winners on our Facebook page by the end of the week.
- You do not need to solve all the clues to enter. If no one gets all the correct answers, then the teams that get the most will still be eligible to win.
- To enter to win the prize for the best-dressed pirate or crew, e-mail your photo to **scootergirltoys@gmail.com**. We will post it to our Facebook page.
- One entry per crew.
- One prize per family.

The Prizes

Five prizes will be awarded as follows:

- One prize for the first complete and correct entry received at the store.
- Three additional prizes for the first complete and correct entries drawn from the remainder.
- A final prize for the best-dressed pirate or crew. E-mail your photo to **scootergirltoys@gmail.com**.

Some Hints

- Some of the clues are easy and some are hard. In some cases, the clue will get you right to the spot, in others only visiting a spot will give you the information you need to match it back to the clue.
- The spots on the map are quite large, but they've been carefully placed to get you as close as possible to the target.
- As for the riddles, some might fall to the awesome power of Google, but most require you to visit the spot and wander around a bit.
- Good luck!
